QUESTIONS:

1. Which state or union territory had the largest population in 2001? Which state/union territory had the smallest?
2. What was the mean state population for India in 2001? What was the mean for males? For females?
3. Are there more males or females in India? Which states/union territories have more females than males?
4. Suppose we didn't include any states/union territories with a population less than 5 million. Does that change the mean state population significantly?
